The Stacy Chronical September 2015

Have you ever said they should...

We would love for you to become part of **they**, we have opportunities for you to get involved:

Park and Recreation Committee: Provide and encourage a wide variety of recreational activities that respond to general public interests by providing, clean safe facilities.

History Committee: Gathers historical information from the city in the form of testimonials, literature, and pictures. They are also working on our Centennial publication.

Stacy Economic Development Authority (SEDA): Committed to developing an economical and business-friendly environment that facilitates job creation and retention in a community that encourages business growth.

Planning Commission: Reviews the city code, holds public hearings, reviews the Comprehensive Plan, meets with developer's and makes recommendations to the City Council.

If you are interested in becoming part of **they** then submit a letter of interest or complete the form located on our website www.stacymn.org, under I want to, Get Involved.

HOUSE NUMBERS REQUIRED

THE FIRE DEPARTMENT HAS REQUESTED THAT THE CITY HAVE RESIDENTS COMPLY WITH CITY CODE SECTION:

§ 150.23 DISPLAY OF NUMBERS. It shall be the duty of the property owner of every house, industrial, commercial, or other building to have proper house or building numbers, either by affixing such number in metal, glass, plastic, or other durable material; the numbers shall be not less than 3 inches in height, in a contrasting color to the building; the numbers shall either be lighted or made of some reflective material and so placed to be easily seen from the street, or placed on the mailbox if the mailbox be on the street of the property and the house cannot be seen from the street. The numbers shall be so placed within 90 days from the date of the publication of the ordinance set forth in this subchapter. All auxiliary buildings within a unit having an assigned number, such as garages, barns, and buildings of like nature, are not affected by this subchapter.

Dates to Remember

Council
Second Tuesday of each month at 7pm

Planning Commission
Third Tuesday of each month at 7pm

Lion's Booya
Oct. 3

Stacy/Lent Fire Bash
Oct. 3

History Committee Event
Oct. 19

Lions Halloween Party
Oct. 31

From the Mayor

Summer has passed us by all too quickly. I want to thank the Stacy Lions and the Stacy Lent Fire department for all they did to make Stacy Daze this year one of the best ever. I heard glowing reports from everyone that spoke to me. The fireworks in particular were phenomenal.

I also want to report that the North Branch Hockey Association has purchased the property for the new hockey arena. This is a very exciting time and I am very happy that the arena project is moving forward.

I regret that we have lost the services of our long time Sports Grill manager, Lori Dahle. Under Lori's supervision, the Sports Grill improved its business model and increased the profitability of the business. I wish her the best in the future.

National Night out was another success. In addition to raising awareness and improving the community network, there were also 19 bicycles given away to children from the area.

Finally, the Stacy Council has decided to sign up for the GreenStep Cities program. This program will provide resources to help the city make environmentally positive decisions in all aspects of city business. I may even help us save a buck or two.

Enjoy the fall season.

Mark Utecht

2016 Proposed Budget: Copies of the 2016 Proposed Budget can be viewed on our website www.stacymn.org or can be picked up at Stacy City Hall. The Truth-in-Taxation Hearing is scheduled for December 8, 2015, at 6pm.

Lions Club Halloween Party

October 31st

1:00pm

Rick Doyle Memorial Building

You are cordially invited to "Tell Us Your Stacy Story"

Date: Monday, October 19th

Time: 6-8pm

Where: Stacy City Hall

We will be serving refreshments for your enjoyment

Max Malmquist will be our guest speaker; and then we are anxious to hear your stories.

If you have pictures or an old item to share; we can photograph or scan on the spot. We want to hear what you have to say about Stacy, old and new stories welcome.

We extend a sincere THANK YOU to all who have contributed so far to our history compilation. Even if you've attended a previous share event - you are encouraged and very welcome to attend again. Bring your friends.

PUBLIC NOTICE

IMPORTANT INFORMATION ABOUT YOUR DRINKING WATER

Tests show levels of radium 226 and radium 228 above drinking water standards

Stacy public water supply routinely monitors for the presence of drinking water contaminates. Recent testing results show that the average level of combined radium 226 and 228 was 6.2 picoCuries per liter (pCi/L). This is above the standard or maximum contaminant level (MCL), of 5.4 pCi/L.

Radium 226 and radium 228 occur naturally within the groundwater. Some people who drink water containing radium in excess of the MCL over many years may have an increased risk of getting cancer.

This is not an emergency. You do not need an alternative source of water, such as bottled water. However if you have specific health concerns, consult your doctor. Home water treatment units are available to reduce radium 226 and radium 228, which include water softening, reverse osmosis, and distillation. It is recommended that these home water treatment units be certified to ensure radium removal. The use of carbon filters is not recommended for removal of radium, as radium may accumulate in the filter over time.

Your public water supply is exploring methods to reduce the level of radium 226 and radium 228, which may include an alternative water source or water treatment. You will be informed when the public water supply has reduced the level of radium and meets the standard.

Please share this information with all other people who drink this water, especially those who may not have received this notice directly (for example, people in apartments, nursing homes, schools, and businesses). You can do this by posting this notice in a public place or distributing copies by hand or mail.

For more information, please contact Tanner Jones at 651-775-7495 or mailing address 30955 Forest Boulevard, Stacy, MN 55079.

This notice is being sent to you by the City of Stacy, PWSID1130016.

PLEASE NOTE: this is not something caused by the city's maintenance of the system, it is naturally occurring in the aquifer.

Distribution Date: September 28, 2015

Water Facts from Minnesota Rural Water Association

Water Use Habits

	TYPICAL USAGE	GOOD, WATER-SAVING HABITS
Showering	20-40 gallons (5 gallons per minute)	5 gallons (wet down, soak up, rinse off)
Tub Bathing	36 gallons (full)	10-15 gallons (low-level)
Toilet Flushing	6 gallons	1.6 gallon with new standard toilet
Teeth Brushing	2 gallons (tap running)	1 pint (wet, brush, rinse briefly)
Hand Washing	2 gallons (tap running)	1 gallon (fill basin, rinse briefly)
Shaving	3-5 gallons (tap running)	1 gallon (fill basin, rinse briefly)
Dish Washing	20 gallons (tap running)	5 gallons (wash, rinse, in pan or sink)
Automatic Dishwasher	15 gallons (full cycle)	DO ONLY FULL LOADS
Clothes Washer	36-60 gallons (full cycle)	DO ONLY FULL LOADS
Outdoor Watering	5-10 gallons per minute	Be sensible

72.04 SEASONAL PARKING RESTRICTIONS.

No person shall park a vehicle or permit a vehicle to stand upon any public street, highway, alley or mobile home park street during the following times:

(A) At any time after a snowfall, wind or other weather condition has resulted in the accumulation of snow of 3 inches more in depth on the public street, highway, alley or mobile home park street until the street, highway, alley or mobile home park street is completely plowed; or

(B) Between the hours of **2:00 a.m. and 6:00 a.m. from October 1 through May 15** of each calendar year.

SNOW REMOVAL:

Do not push snow onto public roads, nor plow across roads this creates a public hazard.

Snow dumped on roadways creates a real hazard to passing motorists, which can cause serious accidents. Even heavy snowplows have been damaged when hitting compacted and frozen snow deposited on the roadways. Because the practice is a misdemeanor per Minnesota State Statute 160.2715 the person depositing the snow, as the prime cause of any accident, may also find him/herself faced with civil liability lawsuits. We urge you, as good neighbors and motorists yourselves, not to add to the hazards of wintertime driving in this way.

When do we plow?

In general, operations commence as follows:

Snow accumulation of 3”, with continual snowfall

Drifting of snow may warrant partial or full plowing

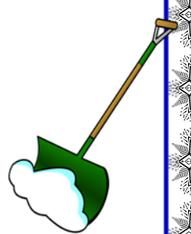
Icing of pavement may warrant partial or full operations

It is ultimately at the Maintenance Supervisor’s discretion when to commence plowing operation

Keep the Your Sidewalk Clear

The Stacy City Code States:

§ 93.02 SNOW, ICE, DIRT AND RUBBISH.

(A) Duty of owners and occupants. The owner and the occupant of any property adjacent to a public sidewalk shall use diligence to keep such walk safe for pedestrians. No such owner or occupant shall allow snow, ice, dirt or rubbish to remain on the walk longer than 12 hours after its deposit thereon.


(B) Removal by city. The City Maintenance Officer shall remove from all public sidewalks all snow, ice, dirt and rubbish as soon as possible beginning 12 hours after any such matter has been deposited thereon or after the snow has ceased to fall. He or she shall keep a record showing the cost of such removal adjacent to each separate lot and parcel and shall deliver such information to the City Clerk.
