Can you please add this request from Rod to purchase this to the agenda for September?

Michelle Hayes

City of Stacy - Finance Director

Subject: Fwd: Onyx Panel

Hi Michelle,

I'm told this new unit that we need to replace register #3 is the only POS option available to us. The current POS is due to expire, which is unfortunate cuz it isn't that old. They assure me that this new one won't expire until 2029. So please run this by the City Council and see if they approve it as we'll need it going forward. The credit card machine on third register will be out of compliance come next April so we'll need a new one of those but I'll hold off as long as possible. That'll be under a grand so I won't need approval there.

Below is the email that said that the panel we'd need to order is the only option for us and that it'll be good until 2029.

Thanks,

Rod

Hey Rod,

Thats correct. This currently is the only panel we offer. Again, the OS EOL is not until 2029

Let me know if you need anything else from me.

Do I need to send the quote over to another email address?

Let me know.

Thanks,

So are there really no other options? Any purchase over \$2k must go before City Council so I'll need to present to them.

Hello,

This is the only panel option that we're offering.

The OS isn't to be EOL until 2029 so another 6 years before this unit will need to be replaced.

Let me know if you have any questions.

Thanks,

Yikes! Feels like we just spent that only a few years ago on that register. Any cheaper options?

Hey Rod,

Please see attached quote of the Onyx Panel.

Shipping is the 30962 Fenway Ave location and payment will be check. Also, can you confirm which station this will be replacing for staging purposes?

Let me know if you have any questions.

Thanks,
