Hearing**

PUBLIC HEARING NOTICE

The City of Stacy is providing notice that a public hearing will be held on Tuesday, February 10, 2015 to review the draft Part 2 Wellhead Protection Plan. This public hearing will be held at 6:30pm at City Hall (30955 Forest Boulevard).

The Wellhead Protection Plan is designed to continue the City's efforts to prevent human-caused contamination from entering the municipal water supply wells. The plan identifies of the area of the groundwater aquifer that supplies water to the City's wells over a 10-year period. Based on the level of vulnerability of the aquifer within this area, potential sources of contamination were identified and a management plan was created for this area.

All interested parties are encouraged to attend. All written and verbal testimony will be taken at this meeting and written testimony will be taken prior to the meeting.

Discussion

Mr. Janovec described the reasoning behind the Wellhead Protection Plan and presented the attached map. The red circle around the W indicates the one year protection area, the large blue circle represents the 10 year protection area, and the properties highlight around the W are included in the protection area.

There was no public present at the meeting; Mr. Janovec addressed the council's questions.

The plan is now ready for presentation to the state for their approval.

Adjourn at 6:45pm

Motion by Ness to adjourn. Second by Olivolo. Ness, Olivolo, Utecht, and Denney voted yes. Mayor Utecht declared the motion carried.
