

CITY OF STACY

MONTHLY ENGINEER'S REPORT

For the March 9, 2022 City Council Meeting

1. 2021 Street and Utility Improvements (307th Street and 311th Street – 193805157 and 193805158)

- Work has stopped for the season and will begin again in Spring 2022. We forwarded some information to the contractor on 307th that they requested. We provided some comments to staff on the minutes from the February 8, 2022 Council Meeting.
- We forwarded some information from past meetings on the 2021 Street and Utility Project to Patty Kettles.

2. Stacy General (193804175)

- **Park Dedication Fee Discussion** – Phil shared some general park dedication feedback with staff for future discussions.
- **Wheelhouse Commons PUD** – We received a question from the developer on the future sanitary sewer and water service and getting things set up for their sanitary and water line for the future. We may meet in person to discuss. We will coordinate that meeting.
