Hi Michelle,

The Council should approve City Agreements.

The Agreement contains a provision requiring the City to name MCC as an additional insured on the City's policy of insurance covering the Sports Grill. The City should inquire about that with its insurer.

The Agreement requires the City to indemnify MCC for any personal injury or property damage arising out of intentional acts, misuse of the equipment or negligence by the City or its patrons. I just wanted the City to be aware of its indemnification obligation.

Subject: Midwest Coin

Hi James,

Midwest Coin Concepts is asking for us to sign their new agreement for the upcoming year. I have asked them for a copy of our current agreement because I don't have one. I have a feeling that John Wicklander entered into it with them on his own. We don't pay Midwest Coin anything, they actually pay us for operating at our location. Can you please review and let me know if there are any issues we need to be aware of?

Thank you!
