## ***MONTHLY ENGINEER'S REPORT***

For the December 14, 2021 City Council Meeting

---

- 1. 2021 Street and Utility Improvements (307<sup>th</sup> Street and 311<sup>th</sup> Street – 193805157 and 193805158)** – Work has proceeded on 307<sup>th</sup> Street, 311<sup>th</sup> Street, Finch Avenue, Stacy Trail, and Foster Avenue.

Work has stopped for the season and will begin again in Spring 2022. Payment Request No. 2 has been prepared for Council review and approval. The most recent invoice for construction testing services was also prepared and forwarded for review and approval. Here is an update on other items since the November 9 Council Meeting:

### 307<sup>th</sup> Street

- We responded to a resident question related to paving of the roadway in Spring 2022.

### 311<sup>th</sup> Street

- We received a resident call on their driveway and the surmountable curb on December 6, 2021. We contacted the contractor to review the issue and to check on the gravel and curb.

- 2. Stacy General (193804175)**

- **Various Utility Permits** – We processed various permits.
- **Grinding and Sharpening Site** – We reviewed the grading work on the site and provided comments on the grading deposit. There will be hydroseeding done in Spring 2022.
- **Wheelhouse Commons PUD** – We reviewed the recent submittal for completeness. The schedule for a public hearing is being discussed with the developer.
- **County/MnDOT Annual Road Mapping/Data** – We prepared responses on roads that were constructed, reconstructed, or paved in 2021.
