

Agenda Memo

TO: City Council

FROM: Sharon Payne – City Clerk

SUBJECT: Stacy Ponds Business Park-Trail Access

DATE: January 11, 2022

Background:

I was talking with Jon Thielen with SGSI, he said that people park in the cul-de-sac to access the Stacy Ponds Business Park Trail. He said this creates an issue for trucks utilizing the cul-de-sac.

I said I would ask the council to consider installing signs stating no parking, and providing direction on where to access the trail and park.
