To Whom it May Concern,

We are hereby writing this letter with our intent to purchase lot # 19.00133.28. After extensive research we believe that Stacy, MN would be a great fit for our company base. We enjoyed meeting Dennis and other staff members and learning about Stacy's business processes & requirements.

Here at, Service Grinding & Sharpening, we pride ourselves in being a family ran operation with great customer appreciation. We sharpen, repair and manufacture tooling for 300+ customers both locally and internationally. We feel this move to Stacy will be beneficial to the growth of our company, as well as to the community as we will bring in revenue and respectable traffic into Stacy.

Our intent would be to build a 10,000 square foot building, with parking lot on the property. We have looked over your guidelines for commercial buildings and feel comfortable that we will have no problem meeting your expectations.

We feel comfortable offering the City of Stacy \$90,000.00 for lot # 19.00133.28.

We look forward to hearing back and hopefully starting a professional relationship with the City of Stacy as we hope to be doing business there for many years to come.
