	Computer Wrangler (Current IT)	Rolltex Computers	Primo Technologies
Server Cost	\$3,750.00	\$3,000.00	\$3,000.00
VPN/Firewall Hardware (Could be considered for use by CARES funds since this is the piece that allows remote work)	\$450.00	\$450.00	\$450.00
Estimated Install Costs	\$1,500.00	\$1,300.00	\$1,000.00
	<b>\$5,700.00</b>	<b>\$4,750.00</b>	<b>\$4,450.00</b>

System recommended by all:

Dell PowerEdge

Xeon 3.4GHz 4 Core

16GB DDR4 RAM

2x1TB Hard Drive ( 1 For Data, 1 For SQL )

1x2TB Hard Drive ( Internal Backup )

Server 2019 Standard – 5 User CALs

\*\*Only difference is that Computer Wrangler is suggesting upgrading the RAM and storage to a step higher so that the system can accommodate expansion.
