RE: Additional Access on CSAH 19 Bridge over I35

Dear Mayor Utecht:

The Chisago County Board of Commissioners discussed the City's request for a review of the decision of the Highway Engineer to deny an additional access point on CSAH 30. I spoke in favor of the request and indicated that it should be granted without additional review by the County. However, our Highway Engineer suggested to the Board (which the Board agreed with) that an ACCESS MANAGEMENT ORDINANCE VARIANCE REQUEST APPLICATION be submitted on this request prior to further review and decision.

Thank you.

With best regards,

  
Bennett J. Montzka
