Attachments: RE: Updated Civic Systems Contract (281 KB); Stacy, MN Contract Connect 8-5-20 ML.pdf

Please see the attached updated contract with the added verbiage regarding the annual maintenance fee increases. The section noted is #3 – Charges on page 17. The increase is limited to the annual Consumer Price Index or 3% whichever is less so no more than 3% in any given year. The remainder of the contract has not changed. This was reviewed and approved by the attorney again (see attached).

This has been added to the agenda for next Wednesday's meeting for a vote. Please let me know if you run into any other questions or concerns on this prior to that you would like for me to look into.
