

Initial Notice of Service Line Materials Inventory

The City of Stacy has completed and submitted our service line materials inventory to the Minnesota Department of Health. The service line inventory is publicly available and you can check the materials for your service line by visiting the Lead Inventory Tracking Tool (LITT) at <https://maps.umn.edu/LSL/>. You may also contact us at the Stacy City Hall addressed at 30955 Forest Boulevard, Stacy, MN 55079 or by phone at 651-462-4486. To complete the service line inventory of our system, the City reviewed records/plans and identified materials when replacing water meters. As of August 30, 2024, our inventory contains 0 lead, 1 galvanized requiring replacement, 99 unknown material, and 553 non-lead service lines.
