RE: May 2017 Liquor Operations Financial Statements

Please find attached the May 2017 financial statements.

Total consolidated net income was \$18,430.32. Year to date income is \$65,960.65.

Items highlighted in PURPLE on the P&L's are areas I am noting. This is new and will continue for both the on sale and off sale.

On Sale – Net income of \$3,371.73. Revenue was just below \$69,000 for the month. Higher Accounting fees as the audit bill came through. I booked two months of benefits for the new on sale assistant manager (April and May). Going forward it will be \$625 a month. Interest expense had a one-time reduction of \$895.24 due an entry by the auditor to expense the entire bond fee in 2016, so this is reversing the entries from January through April 2017.

Off Sale – Net income of \$14,994.63. Revenue was just above \$207,000 for the month. Higher than expected COGS by about \$5,000.00. I noted the same issue last month. Rod may be doing more sales at this point but we should normally have about 76% for COGS and we have been running about 77% for the last two months. This may not seem like a lot (1%, but it translate into about 4-5k each month of lower than expected profits) . Higher accounting fees for the audit bill. Two months of benefits (April and May) expensed for the new off sale assistant manager. Will be \$625 going forward.

**Net Income After Bond Payments:**

	<u>Month</u>	<u>Year-to-Date</u>
On Sale	(753.27)	(20,983.59)
Off Sale	11,661.30	46,826.14
