## Did you know?

Nearly 22,000 workers leave Chisago County for work.

The Chisago County Economic Development Authority is conducting a survey to determine why our residents are choosing to work outside of the county. With this information, we can determine the county residents' occupational needs in order to encourage businesses to call Chisago County their home.

Chisago County residents, your response to the survey is crucial to our county's development. Please complete the survey on the Chisago County HRA-EDA home page at [www.chisagocounty.org](http://www.chisagocounty.org) by **October 15, 2019**.

## Chisago County Commuting Facts

76% of workers living in Chisago County are employed in a different county.
