

I can't believe that the summer months are over and fall is beginning. In the city, Stacy Daze signifies the ending of summer. The fireworks at Stacy Daze were great. They keep improving year after year. Arguably, they are the best fireworks in our area. Looking back on the summer, the City of Stacy had a lot of road construction and most of it is complete.

The parking lot at City Hall has been re-designed, now the entrance to the parking lot is just south of City Hall. The old parking lot is now "green space." You still access city hall from the front of the building.

The road construction on 311<sup>th</sup>, 312<sup>th</sup>, Gable Avenue, Genesis Avenue, and 307<sup>th</sup> are now complete and look great.

There are now sidewalks on both sides of County Road 30 going up to the Post Office on the west side and Dollar General on the east side. There is also a cross walk at the intersection of 311<sup>th</sup> and County Road 30.

On November 6, 2018, please remember to vote. It is a great right that we have.

If you have any questions or comments, please feel free to reach out to the council.

-Mark Ness, City Council
